Showtime in Las Vegas Just Got Easier *AVHQ Rental Services™ Launches New Location*

November 13, 2003- Las Vegas, NV – Las Vegas has it all when it comes to shows, events, conventions and meetings. Hotel and convention space in Las Vegas has grown exponentially in the last twenty years, and doesn't seem to be slowing down. And now, the trusted partner event planners in other cities have counted on has arrived. AVHQ Rental Services™ recently opened their local office to better serve the Las Vegas clientele previously supported from regional offices, and to partner with new clients.

George Boehringer, local Director of Rental Services says, "It was only a matter of time before we were able to locate in the Las Vegas market. AVHQ Rental Services has been proving itself nationwide, and with the ongoing increase in local business we knew we wanted to be here."

Satisfied Las Vegas clients have come to depend on AVHQ to get the right gear that always works and is on time. "MediaLive (formerly Key3Media) has partnered with AVHQ in Las Vegas to handle COMDEX and NetWorld + Interop for the past three years. It's great to see AVHQ Rental Services opening a permanent office. They will be a great local resource," said Doug Levinson, Senior Vice President for MediaLive International.

Clients nationwide have come to count on the services the Las Vegas office will provide. AVHQ Rental Services www.avhqrentalservices.com offers audiovisual equipment and creative audiovisual solutions to meeting and event planners. With over 30 years of experience in

audiovisual rentals, AVHQ Rental Services has succeeded due to their commitment to on-time and accurate service, as well as their use of high quality and dependable equipment.

The consultative nature of AVHQ Rental Services adds yet another dimension, an invaluable technical input into the planning process. Working together with meeting planners from the outset of an event, AV professionals become the trusted partner who takes the guesswork out of AV planning. Now Las Vegas event planners will benefit from experience and professionalism in their AV partner, as well as an extensive inventory of rental equipment.
