### **New Meeting Technology at Select Hilton Hotels Increases Meeting's ROI**

LONG BEACH, Calif. – Presentation Services®, the leading provider of in-house audiovisual services to the hospitality industry, today announced the introduction of new 3M Digital Wall Display technology to be offered at select Hilton Hotels (NYSE:HLT). The new Presentation Services offering will feature technology that allows Hilton guests to enjoy meetings that are more productive and presentations that run smoothly.

Presentation Services will offer the 3M Digital Wall Display at select Hilton Hotels across the United States. The 3M Digital Wall Display features the most commonly used meeting and presentation tools with a unique integrated digital projector and a fully interactive digital whiteboard. The integrated technology allows notes and presentation changes to be captured and presented in real time, while providing an ability to print or digitally capture the files to your computer. The system is ideal for groups from 3 to 20, or can be used to interact with meetings of any size through large screen projection.

“Hilton and Presentation Services are committed to providing Meeting Planners with the latest technology that enhances communication and improves their meeting effectiveness,” said John Voaden Executive Vice President of AVSC.”
