PSAV® NAMED TO AMERICA'S BEST EMPLOYERS LIST BY FORBES

Acknowledgment stems from employee willingness to recommend company

SCHILLER PARK, Ill., May 3, 2018 – PSAV, a global leader in audiovisual and event experiences, has been named to the Forbes 2018 America's Best Employers list, in the large employer category (more than 5,000 employees).

The basis for the ranking came from anonymous employee ratings of how likely they would be to recommend their employer to others, on a scale of zero to 10. Respondents were also asked to nominate organizations in industries other than their own. The mix of respondents in the sample was representative of the overall U.S. workforce, taking gender, age, region, educational level and ethnicity into consideration.

"PSAV has always put its team members first. We are thrilled to see that has been recognized in the America's Best Employers list by Forbes," said Mike McIlwain, President and CEO of PSAV. "The fact that the opinions of our own team members are what allowed us to earn our place on the Forbes list is the most rewarding aspect of this honor. We strive to improve in all areas of our employee engagement on a daily basis, and will continue to do so for the benefit of our team members and customers."
