## INTERNET OPTIONS

Successful event internet requires advanced planning. Determine your bandwidth needs with PSAV's Bandwidth Calculator at [psav.com/bandwidth-calculator](http://psav.com/bandwidth-calculator) and by following the below flowchart.

Custom configurations are also available; please contact your PSAV representative for more details. For more information about event internet planning, including a white paper on understanding event bandwidth, please visit the Events Industry Council's internet resources page at [eventscouncil.org/apex/bandwidthconnectivity.aspx](http://eventscouncil.org/apex/bandwidthconnectivity.aspx).
